

**National Craft Assessment and Certification Program
Performance Verification Overview**

Supervisor*
PVSUPER47_02

Focus Statement

The supervisor sets the goals and action plans for the foremen or crews; performs long-term planning, and supports and evaluates the plans once they are in place. The supervisor coordinates work with the different trades, and participates in project planning meetings with the project manager and/or general contractor and the different trades. The supervisor is responsible for quality control and ensuring safety on the project. The supervisor manages the budget of the job and manages and coordinates material quantities and deliveries.
